

# DO YOU KNOW THESE PEOPLE?

San gre de Cristo Electric Association, Inc., has money for the people listed below. As an electric cooperative, SDCEA belongs to the people we serve: our consumers. Any profits generated here get shared back with our consumers over time. In December 2018, SDCEA refunded to consumers who received service in 1995, 2000 and 2001. At that time, SDCEA posted money to 3,767 accounts and sent 6,059 checks for a total refund of \$456,448.

Some of the checks that were mailed were returned because we did not have a valid address for the consumer, or the consumer did not have an active account. Some of the checks were simply not cashed.

If you see a name on the list that you know, you can help them receive their check by having them contact us. If there is a person on the list that is deceased, please have their heirs contact us. Our contact information is [info@myelectric.coop](mailto:info@myelectric.coop) or 719-395-2412 or toll-free 844-395-2412.

Your help in finding SDCEA consumers is greatly appreciated. Please keep in mind we must have contact with the consumer on the list or their heir(s) to make any changes to the mailing address.

What happens if the refund checks are never cashed or we can't contact the consumer after three years? Any unclaimed refund money goes to SDCEA's charitable giving fund.
