CAPITAL CREDIT REFUNDS

Sangre de Cristo Electric Association is a non-profit electric cooperative. At the end of the year, our financial statements show whether revenue exceeded costs and resulted in a positive margin. Margins are used by SDCEA for operating capital and, over time, may be paid back to our members in the form of capital credit refunds when the financial position of the cooperative permits and policy provisions are met.

If you had electric service with SDCEA during a year for which the board of directors has approved the return of capital credits, that amount will be reflected as a bill credit on your November bill. For those who move to a new location and no longer receive service on our lines, it is important to leave a forwarding address with us, as we will send you a refund check instead of a bill credit.

In December 2020, SDCEA refunded to consumers who received service in 1996, 2002 and 2003. At that time, SDCEA posted money to 3,929 accounts and sent 6,601 checks for a total refund of \$676,216.

Following is a list of names to whom checks were mailed that were returned because we did not have a valid address. Or, in some cases, checks were simply not cashed.

If you are in contact with someone on this list, please have them call or email us so we can send them their refund. If there is a person on the list who is deceased, please have their heirs contact us.

Email us at info@myelectric.coop or call 719-395-2412 or toll-free 844-395-2412.

VEGETATION MANAGEMENT MONTHLY UPDATE

SDCEA contractor Integrity Tree Services is expected to work this month along Fremont County Road 12, north of Cotopaxi. Work is also planned for along Verdemon Road in Custer County, along CO 69 and along CR 1A in advance of a project to rebuild this section of line.

All electric services from the Howard Substation are scheduled for vegetation management. Crews will move to other areas served by the Howard Substation as time and weather permit this fall.

For your safety and the safety of crews working in the area, please use caution near worksites or whenever you see one of SDCEA's crews or contract crews.

Give our office a call at 719-395-2412 or toll-free 844-395-2412. Our business office in Buena Vista is open 8 a.m. – 5 p.m Monday through Friday, closed on major holidays. Or, send an email with your question to info@myelectric.coop.

SUPPLY CHAIN LEAD TIMES

SDCEA is alerting contractors, builders and members that lead time on materials is longer than normal. This may impact line extension, service upgrade projects and programs in 2021. SDCEA is working to maintain a healthy inventory of equipment to minimize the potential delays, yet we encourage stakeholders to review their project estimates and timelines closely. To ensure realistic expectations, please reach out to our engineering department regarding any changes in your project timeline.
