Following is a list of names to whom checks were mailed that were returned because we did not have a valid address. Or, in some cases, checks were simply not cashed.

If you see a name on the list that you know, you can help them receive their check by having them contact us. If there is a person on the list who is deceased, please have their heirs contact us. Email us at info@myelectric.coop or call 719-395-2412 or toll-free 844-395-2412.
