**Your Community Electric Cooperative**

# CAPITAL CREDIT REFUNDS

Due to a printing error, the middle section of this list was left out of last month's edition. It appears here in full.

SDCEA is a non-profit electric cooperative. At the end of the year, our financial statements show whether or not revenue exceeded costs and resulted in a positive margin. Margins are used by SDCEA for operating capital and, over time, may be paid back to members in the form of capital credit refunds when the financial position of the cooperative permits and policy provisions are met.

If you had electric service with SDCEA during a year for which the board of directors has approved the return of capital credits, that amount will be reflected as a bill credit on your November bill. For those who move to a new location and no longer receive service on our lines, it is important to leave a forwarding address with us, as we will send you a refund check instead of a bill credit.

In December 2022, SDCEA refunded credits to members who received service in 1997 and 2004. SDCEA posted money to 3738 accounts and sent 6865 checks for a total refund of \$239,080.29.

What follows is a list of names from SDCEA's 2022 capital credit retirement whose checks were mailed that were returned because we did not have a valid address. Or, the checks were simply not cashed.

If you see a name on the list that you know, you can help them receive their check by having them contact us. If there is a person on the list who is deceased, please have their heirs contact us.

Contact us via email at info@myelectric.coop or call 719-395-2412 or toll-free 844-395-2412.

**CAPITAL CREDITS are profits returned to you, our members.**

Sangre de Cristo Electric Association  
Your Community Electric Cooperative

Learn more at  
myelectric.coop/capital-credits-explanation/

SDCEA tracks **HOW MUCH YOU PAY** for service during the year.

At the end of the year, SDCEA closes its books and **DETERMINES IF REVENUES EXCEED EXPENSES**, called profits.

SDCEA's **PROFITS ARE ALLOCATED TO MEMBERS**, as capital credits, based on how much you paid for service during the year.

As SDCEA's financial conditions allow, the board of directors may elect to pay a portion of these **CAPITAL CREDITS BACK TO MEMBERS**.

If you currently have service with SDCEA, your **CAPITAL CREDITS APPEAR ON YOUR NOVEMBER BILL**. (Or, if you are no longer a member, your capital credit check is mailed in December.)
